Texas Dreams Gymnast Finishes Fourth at Championships of the USA

COPPELL – Chelsea Davis, 14, from Lakeway, Texas was recently ranked fourth (in the junior division) in the nation at the Championships of the USA in San Jose, CA.

In the recent competition that took place August 16-18, Davis finished fifth on the floor event and placed sixth on the bars. Davis was one of only 42 gymnasts from across the country to qualify to this year's championship event.

At last year's event, Davis became injured and was unable to continue to compete. This year, however, was a completely different story. "Competing at the Championships was very exciting," Davis said. "After having to watch from the stands after last years event, coming in fourth in the nation this year was amazing!"

The Championship of the USA is a two-day competition that extracts the crème of the crop that will represent the United States in international competitions. Davis was selected to represent the US in her international debut in Belgium. After that, Davis moves on to vie for the Jr. Pan American Games team in November. Come January, Davis will be moving into the senior ranks, which will allow her the opportunity to compete amongst the talent who will become the 2008 USA Olympic Team that will compete in Beijing.

"We are so thrilled for Chelsea," coach Kim Zmeskal-Burdette said. "She's such an amazing asset for our team, and we have great hopes for her and for her gymnastics future."

Davis trains approximately 36 hours a week at Texas Dreams Gymnastics at EveryBody Fits, located in Coppell.
