EveryBody Fits and Art House Announce Partnership

COPPELL – EveryBody Fits and Art House have teamed up to offer superior art instruction through “Art House at EveryBody Fits.”

Art House at EveryBody Fits inspires artists of all ages to discover new ways to excel in art. Artists explore drawing, painting, and sculpture through two unique programs: the Young Artists program, for students 3-6 years old, and the Studio Artists program, for artists 7 years to adult.

All Art House instructors are professional artists with degrees in Fine Arts. They specialize in both structured and personalized approaches to teaching studio arts.

“I’m so excited to be able to offer this to our members,” said EveryBody Fits General Manager Michael Newbrand. “I know a partnership with such a high-caliber organization will be a ‘win-win’ for everyone.”
